BENEFITS BILLING

Savings By The Numbers

As AssuredPartners clients clear source data of errors discovered during implementation and with monthly reconciliation using the AdminaHealth Billing Suite,® it is common for them to realize positive ROI covering the first years' platform costs or more as well as additional direct and indirect cost savings.

AssuredPartners Manufacturing Client

$71,085
In total savings

261 Plan Participants across 16 Divisions
Between April of 2022 and August of 2023, AdminaHealth was able to help this AssuredPartners client identify over $71,085 in incorrect charges due to employee changes and incorrect rates.

AssuredPartners Transportation Client

$43,662
In total savings

800 Plan Participants across 5 Companies, 7 Divisions, and 40 Departments

Over seven months, AdminaHealth identified multiple termed healthcare enrollments that were still active, and hundreds of active enrollments with missing rates, totaling over $43,000 in savings for the company.

"The Billing Suite saves my team around 30 hours of work each week and catches discrepancies that can easily be missed by a manual process."
